### **Religion and Religious Instruction in the Croatian School Museum's Permanent Exhibition**

The Paper will present the Croatian School Museum Permanent Exhibition. Its integral part is the representation of the religious instruction of various religions. By exhibiting textbooks and handbooks (catechisms), wall charts (coloured lithographs) and other museum exhibits we tried to depict religious instruction (school subject) and the importance of religion in schools in Croatia in 19<sup>th</sup> and the beginning of the 20<sup>th</sup> century.
